Functionalities Approaches

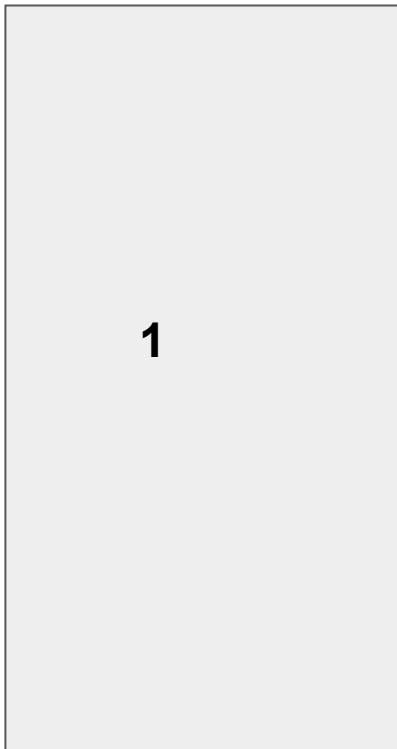

Admin Drawer

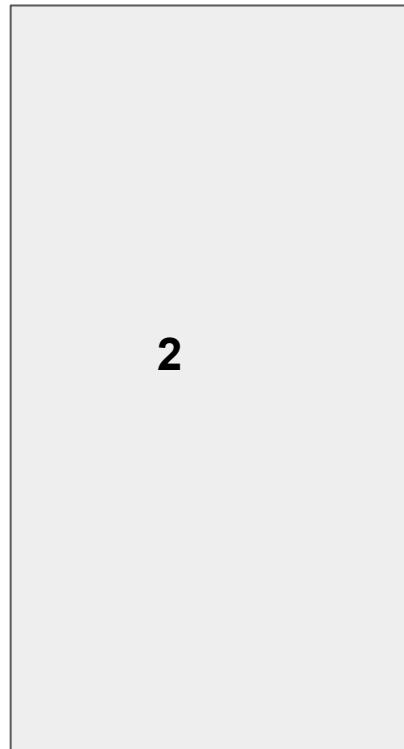

Staff member Drawer

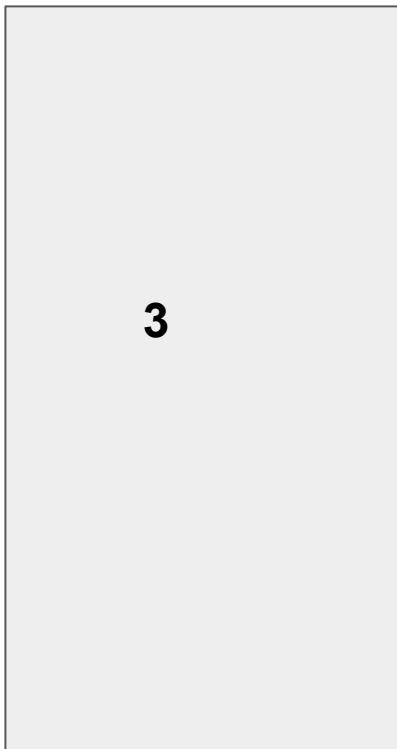

**Please refer the interface according to the following arrangement
Interfaces are given after this page**

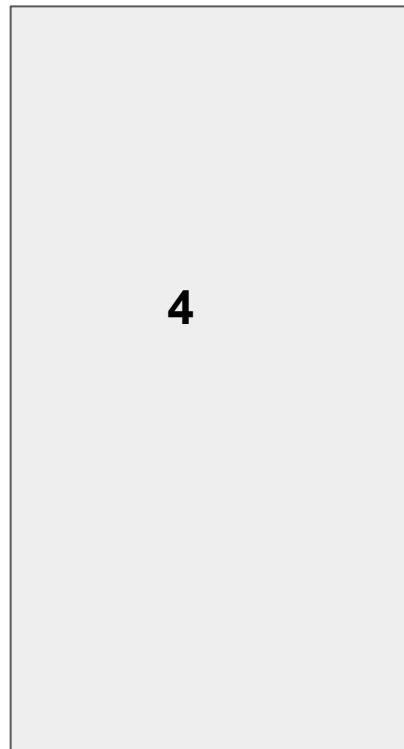

The description about 1

The description about 2

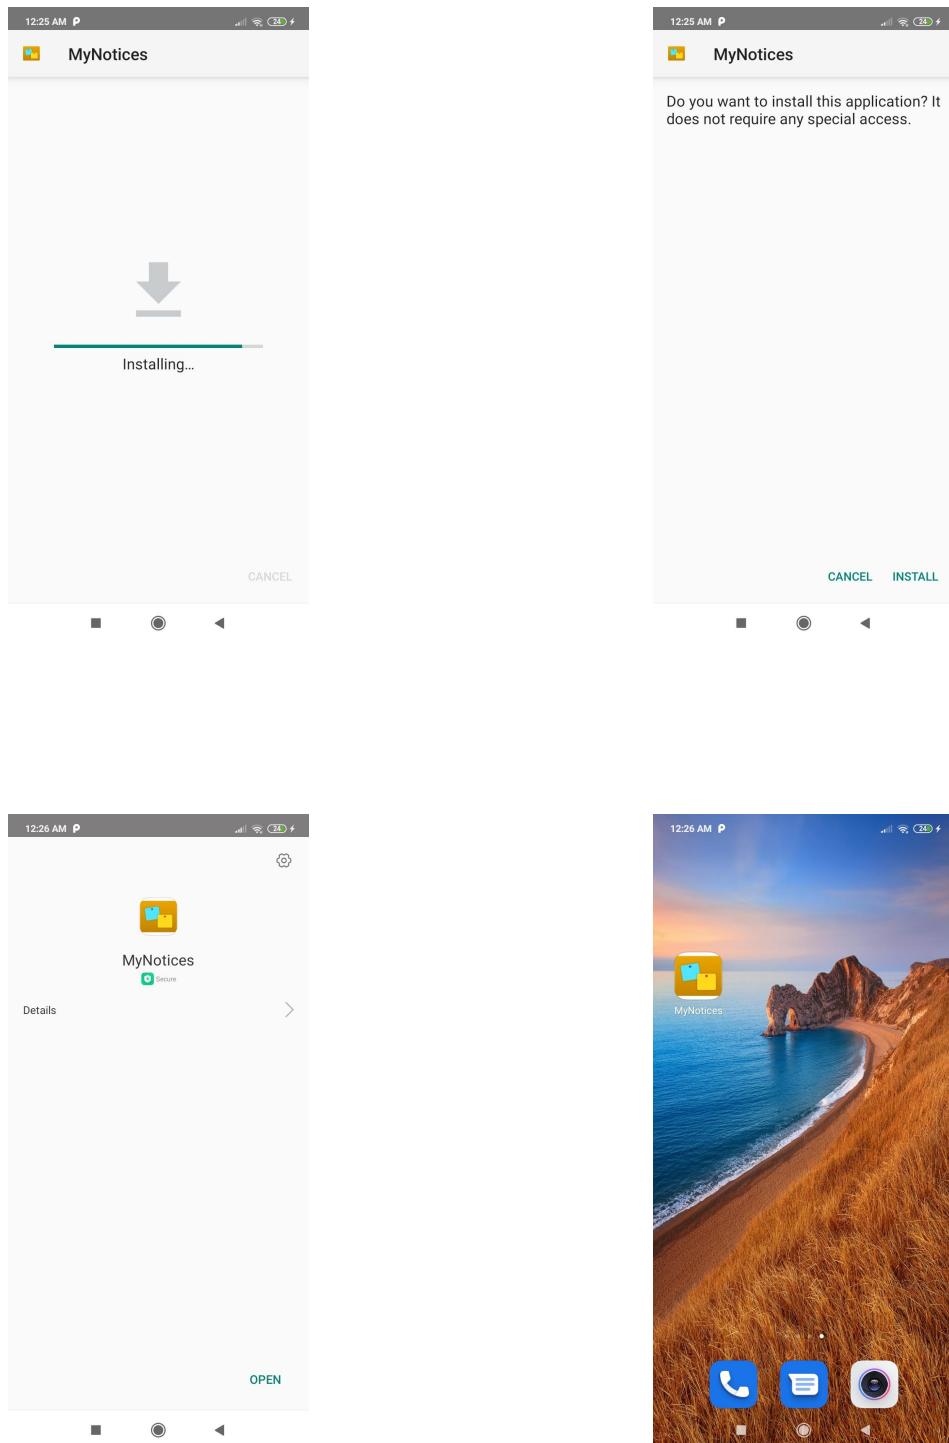

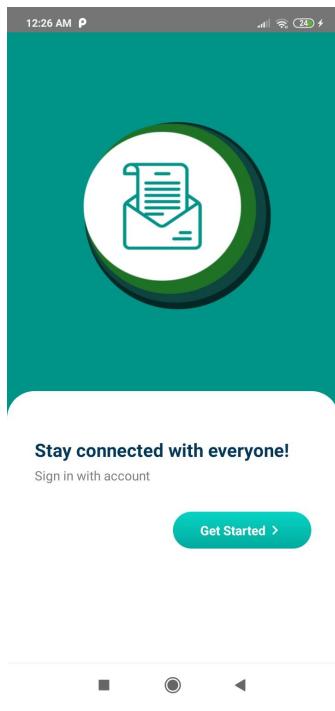

The description about 3

The description about 4

App installations

Welcome page

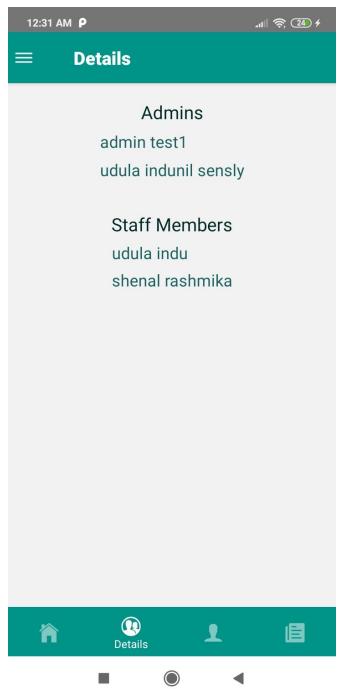

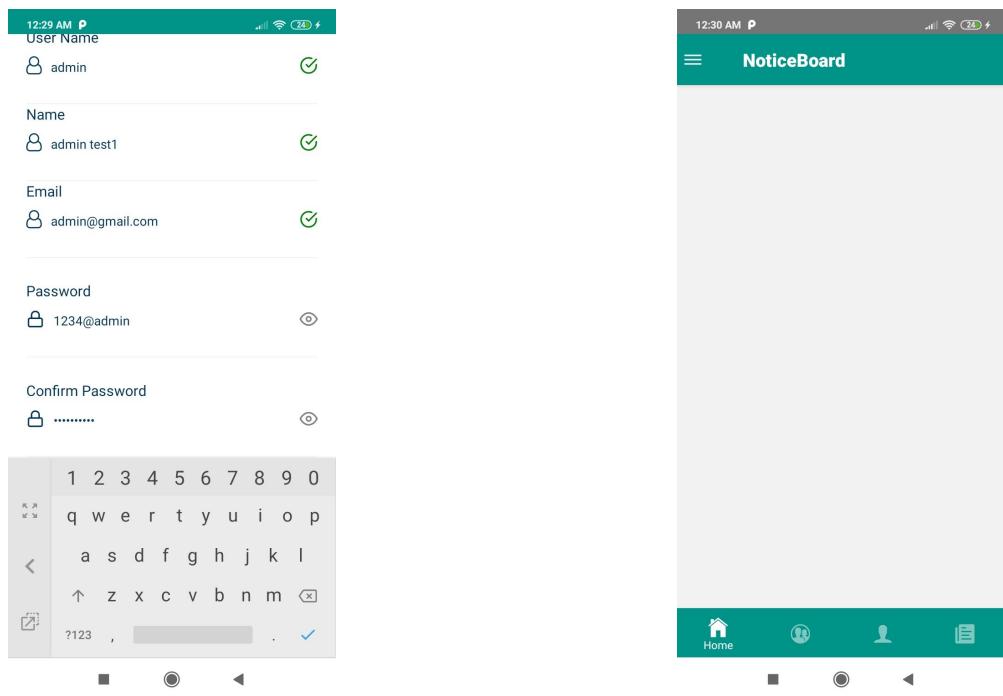

The registration interface is titled "Register". It includes fields for "User Name" (example: JohnD), "Name" (example: John doily), "Email" (example: Your Email), "Password" (example: Your Password), "Confirm Password" (example: Your Password), and "Your Role" (example: Select your role). The interface uses a ScrollView.

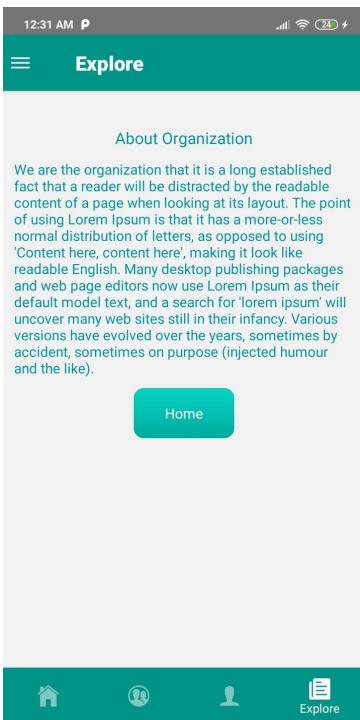

Registration interface (1)
(ScrollView)

This registration interface is similar to the first one but includes a "Sign Up" button at the bottom of the form area. The fields for Name, Email, Password, Confirm Password, and Your Role are present, along with their respective examples and a dropdown menu for selecting a role.

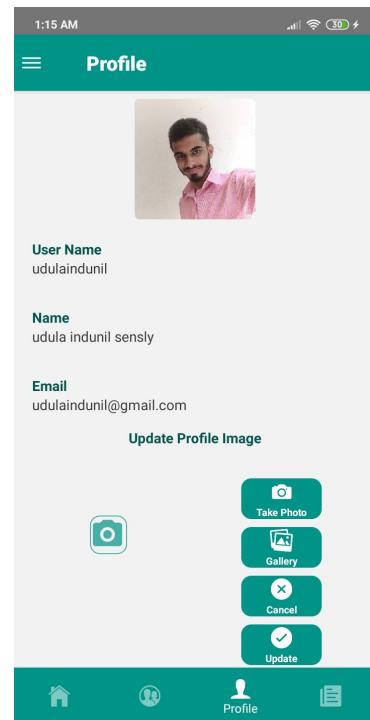

Registration interface (2)
(ScrollView)

Form validation are in
later part of the report
